

A VISIT FROM MRS. DURBAHN

**'Twas the month of December and all through the school
the students were practicing the Golden Rule.**

**Advent is upon us, we're discussing each day,
which helps us prepare for Christ's upcoming birthday.**

**If on the 20st, at 6:00 PM, your ears are a-ringing,
'tis only the Christmas concert and all children singing.**

**In Social we've studied map skills and continent locations,
Now, Government, branches, and constitutions.**

**Science observed properties of matter, physical, and chemical
On to magnify the micro, then energy non and renewable.**

**Please recall, if you have no homework one day,
Practice with Math Facts in a Flash, Spelling City, and Epic is online
to play.**

**In English we'll discover a verb names an action,
our writing is improving with great satisfaction.**

**Please let me exclaim, ere this paper flies from your sight
Merry Christmas to all, and to all a good night!**
