

Kindergarten News

January 2018

What We Are Learning

- **Daily Five**

The children have been building some wonderful stamina during our reading, writing and word work times. We will continue to work with word families to expand our reading, and place more emphasis on comprehension.

- **Math**

January is the month for more graphing and addition, the introduction of subtraction, and discussing the attributes of shapes. Please continue to practice counting to 100 with your child at home.

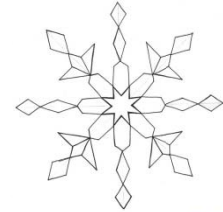

- **Religion**

We will begin memorize the Angel of God prayer while finishing up our Call to Faith Chapters.

- **Science**

Our next science unit explores objects! We will discuss what objects are made of and how objects might move.

- **Social Studies**

Upcoming Events

January 17th

Early Out

January 28th

Dad's Belgian Waffles

Jan 30th & Feb 1st

PT Conferences

Jan 28-Feb 2nd

Catholic Schools Week

Notes

As we dig deep into our Minnesota winter, please make sure to double check your child's backpack and locker to ensure they have boots, snow pants, mittens or gloves, and a hat. Kindergarteners misplace these often, so it's never a bad idea to have an extra tucked in

Thanks!

Mrs. Omtvedt
