

# Kindergarten News

May 2017

## What We Are Learning

- **Daily Five**

We will take May to review our short vowel sounds, CVC words, and sight words. We will continue use our writing and reading skills as we finish building our Daily 5 stamina in preparation for first grade.

- **Math**

We will continue to talk about money, place value, and addition and subtraction. We will also explore telling time.

- **Religion**

Saints will be covered in the upcoming month. The kindergarteners will spend time learning about a few of these holy people.

- **Science**

Exploring what we know about observation and living things, we will be planting seeds this month to watch them grow.

- **Social Studies**

Integrating Art and Social Studies, the children will work on creating family portraits.

Through the process we will discuss the differences of families.

Thanks!  
Mrs. Backes  
&  
Mrs. Omtvedt

May 17 <sup>h</sup> SHS	Art Show & Book Fair at SHS
	Grandparent's Day
	FIELD TRIP

## Notes

Thank you for sharing your child with us this school year! They have accomplished so much! We have enjoyed getting to know each of them, and cannot wait to watch them grow throughout the years!

Have a wonderful summer!
