

This letter is just a quick note to welcome you to 4th grade and Room 107 in the Parish Center! You have a few more changes in store for you. Instead of lockers in 4th grade we have a coat room to store your jackets and backpacks. Also, you'll have 2 classrooms to go between.

The night of Open House your new classrooms will be open for you to see. We will have your supply package ready for you. The only other things you will need to bring are a backpack, tennis shoes for gym, and you will want a paint shirt. In Art we do some painting and Science sometimes gets messy, too! We have your pencil case from last year with ruler and calculator ready and waiting for you.

I hope you have been enjoying your summer vacation. Let's plan to take a survey titled, "What's the best thing about summer?" We'll graph and publish the results in the computer lab. You'll be working in the computer lab a lot this year on all kinds of projects for English Creative Writing and Science data gathering and publishing.

I'm looking forward to seeing you soon!

Sincerely,

Mrs. Durbahn
