

Welcome To Kindergarten

Dear Friend,

Hello and welcome to Kindergarten! My name is Mrs. Omtvedt and I am very excited that I get to be your teacher this year! Kindergarten is going to be a great adventure for all of us. We will have a great year full of learning, love, and fun. I can't wait to get to know all about you and all about your new classmates, and so before school begins here is a little bit about me:

I was born and raised in a small town called Harlan, Iowa. After growing up, I attended the University of Northern Iowa where I learned to be an elementary and early childhood teacher. This will be my second year teaching Kindergarten and I can't wait to have another terrific year! For nine years I taught ECFE classes and Kinderprep for Waseca Public Schools. In Kinderprep I taught students how to be ready for Kindergarten, so I found moving onto Kindergarten this past year was a very natural step.

My husband's name is Aaron. His position as a Funeral Director at Dennis Funeral Homes is what brought us to Waseca around twelve years ago. We have come to love Waseca and have found great support and community here for our family. We have two little blonde daughters: Ava is eleven and Stella is eight. They keep us very busy but always smiling. When I have extra time in my day I enjoy hiking, biking, baking cookies, watching movies, reading magazines, and sitting around campfires.

Things I Love:

Color: White

Season: Summer

Food: Ice cream

Author: Mo Willams

Game: UNO

To Moms, Dads, and Caregivers:

It is my belief that at this young age all children should learn to love and enjoy school. It is my goal to create a supportive, safe, and joyful environment while your child is with me each day. As a parent, you are your child's first and most important teacher and I look forward to cooperating with you on your child's educational team. If you have any questions or concerns throughout the year, please let me know. Included below is your child's assessment time. This meeting will allow me to get to know your child's skills before we begin the year so I can support them in the ways that are best for them.

I am so glad I get to share this year with you and your family! See you soon!

Mrs. Omtvedt

_____ assessment date and time is Tuesday, September 5th at _____.
