Reminders

Just a friendly reminder to have your children read to you at night as often as they can. AR testing should be done at least once a week if not more:)

A Note From your Teacher

These first two months of school have just flown by! I know the rest of the school year will as well. This is great group of kids and I am excited to see what the rest of the year brings. Thank you for all that you do.

A Peek at Our Week

- The students have really been working hard on understanding and writing telling sentences.
- We have been working on telling to the nearest hour.
- We are working very hard on exchanging pennies for nickels. This is a great concept to understand because we are going to be having a class store coming up soon.
- We are continuing to read stories weekly in our Daily 5 groups.
