November 2018

What We Are Learning

- **Daily Five**

During our Work on Writing Time, we will begin practicing labeling. We will begin learning the **-at** and **-it** word family. We will be also be adding to our sight word list.

- **Math**

The children have been busy sorting coins, making patterns, and working on forming numbers. This month we will begin talking about estimation, teen numbers and symmetry.

- **Religion**

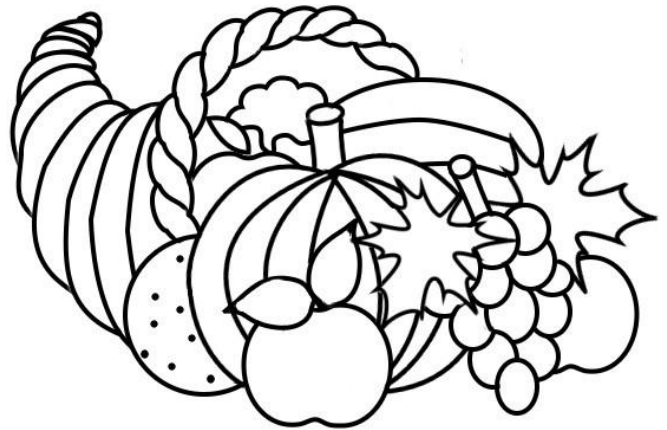

In November the students will begin memorizing the Our Father prayer. Please take time to discuss the role prayer plays in your life with your child.

- **Science**

This month we will talk about the seasons and the weather we experience throughout the year.

- **Social Studies**

We will continue talking to community helpers from our neighborhoods. Thank you to all of those that have taken the time to come in and share.

Upcoming Events

November 12/13

Parent Teacher Conferences

November 21 -23

NO SCHOOL (Thanksgiving Break)

Notes:

Book Orders will be due on the 29th of November. As the holiday season approaches, a book can be an excellent gift! Please make checks payable to Carol Omtvedt or Desyre Klindworth.

Conferences are also coming up and your support is pertinent since parents are a child's first – and most important – teachers. We cannot wait to collaborate with you.

Happy Thanksgiving!

Thanks!

Mrs. Omtvedt &

Ms. Klindworth
