Reminder Xmas break is upon us please have your children be reading over the break.

## A Peek at Our Week

Letter blends and Long Vowel sounds will be starting with the new year. This can be a little more difficult, but it also makes more sense to the kids.

In Math we will be continuing on with measurement and then moving into place value.

In Social we will be finishing up our unit on maps and I am hoping to do a scavenger in the school using maps.

Science we will be starting our unit on how plants and animals survive.

## A Note From your Teacher

I am excited for 2019 to start! We will have a great rest of the school year with many more things to learn. We will also be having a new student join our class after break! I am very excited to have this student a part of our classroom family! I know each of the students will welcome her with open arms!
