A Note From your Teacher

We are in that lull of winter and it has been a cold one. Please make sure that your children are bringing everything to school. Hats, gloves, snow pants, and boots. You never know when we will be going outside for recess. Thank you for the great year thus far!

A Peek at Our week

- We are really starting in on blending initial letter sounds. This is huge when it comes to reading. When your child is reading to you them should be blending sounds together, rather than sounding each sound out.
- In math we are working really hard on place value (Tens and ones).
- Continue reading each night with your children! Their AR has really taken off!
