

CLASSROOM NEWS

Upcoming Dates

April 18-21 Easter break
April 25 ABC countdown begins

A Peek at Our Week

We have been working hard. Long vowels are now something we are learning. These rule include long vowel silent e and team vowels! it has been fun watching the kids learn these rules.

Math: we will be learning all about 2d and 3d shapes

science- We are moving on to our Earth. This is great with Earth day around the corner

Reminders

Our ABC countdown is our count down to the end of school. More information will be coming out about this later on.

A Note From your Teacher

This year has been a wonderful year. I have really enjoyed watching each of your children grow. The last part of the school year is always fun because long vowels come into play. I love seeing the light bulbs appear for the students. introducing long vowels always seems to progress our reading even further! Happy spring. **Mrs.Steffel**
