

## Back To School

*The mission of Sacred Heart School is to promote life-long learning and Christ centered values in a Catholic setting.*

### School Supplies

Student supplies for the classroom will be ordered by the office. **The only items you will need to purchase for the first day of school are non-marking gym shoes and a back pack or school bag.** Your child/ren's supplies will be available to view in the classroom the night of Open House. You will receive the cost for the supplies that evening in your family folder. This fee can be paid the first week of school. Money will not be collected the evening of the Open House. The supply fee for students will be approximately \$20.00-\$30.00 depending on the grade. We hope you find this a convenient alternative to finding the necessary materials yourself.

The program will be open the days school is in session 7:00 a.m. to 7:50 a.m. with breakfast served at 7:15 a.m. and 2:50 p.m. to 5:00 p.m. "SHARP" will provide an opportunity for large motor activity, homework help, tutoring, and a snack. ### Sacred Heart School Hours

The summer days are already getting shorter which reminds us that school will begin soon. School opens on Tuesday, September 3, 2019 for all students kindergarten through fourth grade.

Student arrival time is 7:50 a.m. Upon arrival students enter the building and go directly to classrooms. **Children should not arrive at school before this time unless enrolled in the SHARP program.** Students arriving in the classroom after 8:00 a.m. will be marked tardy. Dismissal of students will be at 2:50 p.m. daily.

### School Lunch Program

Lunch prices for the 2019-2020 school year will be: students \$2.95, adults \$3.95, and milk for cold lunches will be 50 cents. We encourage families to read the information on free and reduced lunches for students found in the folder you will receive at the Open House on Wednesday, August 28, 2019. Sacred Heart School receives federal and state funding for our school based on the number of free and reduced lunches served during the school year. Families who qualify for free/reduced lunches is confidential information. We encourage you to deposit money into your child/ren's lunch account the first week of school. We use the "offer vs. serve" plan in our school lunch program. As many as six items may be offered, but a student needs only to select three items. We highly encourage the students to eat the three items they select. Students will have two lunch choices each day. The choices consist of a hot lunch and an alternate lunch. You will find the specific food items offered for the two choices on the monthly lunch menus. By providing a choice we hope students will eat school lunch. Our school earns federal dollars for the lunch program based on our student lunch count each month. With the implementation of our new wellness policy, students will always have the choice of hot vegetables or fresh vegetables each day. We will also provide fresh fruit as often as possible. Lunch menus may be accessed on our school website.
