

CLASSROOM NEWS

Upcoming Dates

- October 16-18, MEA Break
- October 23, Early Out

Reminders

Homework is due the next day unless a different due date is written on the sheet. Please try your best to get homework done on time. Practicing at home is very important!

A Peek at Our Week

- In math we have been working on becoming more familiar with numbers. Counting by 2s, 5s, and 10s, starting at a number and counting on, and counting back. We will also start telling time to the hour and counting pennies and nickels.
- In language arts we are learning about realistic fiction, reading decodable words and stories, and spelling.
- In science we are learning about plants and animals.
- In social studies we are learning about neighborhoods.

A Note From Your Teacher

We had a great first month of school! We have been enjoying our new language arts curriculum, MyView! It has a lot of great stories, which you have seen come home. Students should be reading to you at night as often as they can. We are having so much fun in first grade!
