A Peek at Our Week

- We have been working on telling to the nearest hour.
- We are working very hard on exchanging pennies for nickels. This is a great concept to understand because we are going to be having a class store coming up soon.
- We have been working on reading and writing informational text.

A Note From your Teacher

These first two months of school have just flown by! I know the rest of the school year will as well. This is great group of kids and I am excited to see what the rest of the year brings. Thank you for all that you do.
