

CLASSROOM NEWS

Upcoming Dates

Oct. 5th No school
Oct 14-16 MEA Break

Reminders

Just a reminder that there are no outs for this school year.

A Peek at Our Week

Math- We are working on Multiplication so you may see flash cards come home, please have them return them to school when they do come home to practice at both places.

Reading-Reading is a little trickier this year, we are really focusing on being able to expand our comprehension and really dive into what we are reading. We are also wanting to expand our writing skills.

Science and Social- We are rotating these classes each week. For Science we are focusing on what we use in science. In Social we are learning all about maps.

A Note From your Teacher

I have truly enjoyed the first month of school back! It is so good to see the students smiling faces and to be teaching them in person. Thank you for all you do to keep them safe and ready for school! I am so blessed to be teaching them again and I can't wait to see what they year will bring!

Mrs. Steffel
