3:30-7:00

Nov 26 & 27 Thanksgiving break

Reminders

The weather is getting colder. Please help remind your kids they need all clothing (hats, gloves, snow pants, boots, and Jacket).

A Peek at Our Week

- We have been working hard at being able to figure out what number models we use for our math number stories.
- In Reading we are focusing on Text feature. What are the parts of an informational text (Chapters, index, glossary etc)
- We are also really looking at team vowels and being able to recognize them.
- Social we are continuing to work with maps, and science we are really focusing on the tools and why we use them.

A Note From your Teacher

These first two months of school have just flown by! I know the rest of the school year will as well. This is a great group of kids and I am excited to see what the rest of the year brings. Continue to look over their homework. Thank you for all that you do.

Mrs. Steffel
