December 2020

## What We Are Learning

- **Literacy**

We are beginning to add Word Work to our Daily Five repertoire. The children will enjoy using computers, puzzles, games, cards, white boards and other manipulatives to practice letters and words.

- **Math**

In December we will continue looking at number representations, recognizing length, and practicing our counting. We will also learn more number games.

- **Religion**

As we wait for Jesus during Advent, we will recreate and read the story of Mary and Joseph's path to Bethlehem.

- **Science**

We will use the theme of Christmas to do festive holiday experiments that include gingerbread man baking and dissolving candy canes.

- **Social Studies**

We will begin discussing jobs, earning money and the needs and the wants we each have.

## Upcoming Events

December 4<sup>th</sup>

No School

December 21<sup>st</sup> – January 3<sup>rd</sup>

Christmas Break

January 4<sup>th</sup>

Return to School

## Notes

While your child enjoys Christmas break, please give them the gift of time to put on their own outdoor clothing. Hopefully we will have plenty of fluffy snow to play in over these couple of weeks. If you are sending your child outside to enjoy the snow, allow them to get dressed on their own. This includes snow pants, boots, coat, zipping the coat, hats, and gloves. It is a goal that by the end of the winter season kindergartners should be able to independently dress for the winter.

*"The more that you read, the more things you will know. The more that you learn, the more places you'll go!"*  
- Dr. Seuss

Please continue to read with your child over the break! ☺

## Merry Christmas!

Sincerely,

Mrs. Omtvedt &

Ms. Klindworth
