

# Kindergarten News

February 2021

## What We Are Learning:

- **Daily Five**
  - This month, we will begin talking about the question mark and question words. We will also begin recording dictated sentences as a way to practice our writing.
- **Math**
  - Measurement will be introduced in Math this month. We will begin with nonstandard units, and expand to standard units of measurement to identify length.
- **Religion**
  - We will talk this month about the love Jesus has for us and what it means to be a follower of Jesus. We will also continue to practice Hail Mary this month.
- **Social Studies**
  - As well as talking about presidents, we will introduce maps this month, and with that, we will explore where we live in the USA and how that relates to other locations. As we work on learning our phone numbers and addresses here at school, please practice at home as well.

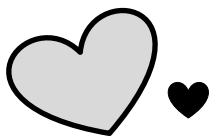

## Upcoming Events

February 12 <sup>th</sup>	Valentine's Celebration
February 15 <sup>th</sup>	No School – Presidents Day
March 1 <sup>st</sup>	No School – Staff Day
March 12 <sup>th</sup>	No School – Staff Day

## Notes:

We will celebrate Valentine's Day on Friday, February 12<sup>th</sup> with a fun celebration. You are welcomed, but not required, to send valentines to school with your child. We will take time to decorate bags and to collect cards here at school. If you do choose to send Valentines to school, this is a great opportunity for your child to practice his or her writing and letter copying skills. We will send a letter home next week with the official class list.

Sincerely,

Mrs. Omtvedt & Ms. Klindworth
