Reminders

Please remember
with the crazy
weather we have
been having to send
your child in the
right outer-wear.

They do go outside
EVERDAY unless it is
below zero.

Dear Parents,

The last month back has been really good. The students have been working hard. We'll be having some special things during Catholic Schools Week as well as a Valentine Party. Please watch your child's folder for more details.

What We're Learning:

• **Math:** We are starting a new unit. We'll be learning more about Fact Families, special addition and subtraction and finding "rules".

• **Science:** We just finished Unit 2 and I'm proud to say the students did really well on the test.

• **Social Studies:** We are learning about our community and the different jobs that we can have in it.

• **Reading:** We are finishing Unit 3 with a project and will be doing a Mid-year check followed by starting Unit 4.

• **Writing:** Our project is working on writing a persuasive text. It's a lot of writing but a good chance to use the Chromobooks.

• **Language:** We are working on different endings for past, present and future.
