Reminders

Please remember
with the crazy
weather we have
been having to send
your child in the
right outer-wear.

They do go outside
EVERDAY unless it is
below zero.

Dear Parents,

The kids are working very hard, even with having to stay in at recess with the cold weather. We got our Chromebooks at the beginning of February and they've been doing awesome with all the work they have done on them.

What We're Learning:

• **Math:** We are starting Unit 8 and will be talking about shapes, fractions and half-hour time telling.

• **Science:** We have started Unit 3 - "Earth Our Home". We'll talk about rocks, water and dirt, just name a few things.

• **Social Studies:** Since we are working on Science we won't have Social Studies for a little bit.

• **Reading:** We are half way through Unit 4 - historical information and biographies.

• **Writing:** We finished our last project and are preparing for our next writing project - a personal narrative.

• **Language:** We are continuing to work on past, present and future tense as well as other verbs.
