What We Are Learning

- **Daily Five**

This month in our Daily Five time, we will explore the topic of "Good Fit Books", books that fit our purpose for reading, interests, and ability level. This will help us work on comprehension and become even more skilled as readers!

- **Math**

Math is an important part of our Morning Meeting each day. We have begun to expand on what we know about numbers by representing a different number each day in different forms, exploring place value, and practicing our graphing.

- **Religion**

During Religion, we will be discussing the Holy Trinity, with special time spent on the Holy Spirit. Jesus sent the Holy Spirit to be with us and help his church family. We will discuss ways that we can be helpers, just like Jesus.

- **Social Studies**

We will be learning about maps. They show us where we are, where we are going, and where we have been. We will also continue to practice our phone numbers. Please practice them at home too.
