

# Miss Deason's SECOND GRADE

# NEWS

FOR the MONTH OF  
APRIL

## What We're Up To:

**Language Arts:** We will begin Unit 5, *Our Incredible Earth*. This unit includes many informational texts about the earth as well as drama and poetry. Phonics and grammar focus on homographs, contractions, words with double consonants, prepositions, and using commas in a sentence.

**Math:** This month, our focus will be on geometry and arrays. We will look at attributes of shapes and solve number stories with arrays.

**Religion:** We are continuing to prepare for First Communion and learning about how we can listen to God's word.

**Social Studies:** We are learning about government at the local, state, and federal level.

## Upcoming Dates:

- **April 1st:** No School- Holy Thursday
- **April 2nd:** No School- Good Friday
- **April 5th:** No School- Easter Monday
- **April 18th:** Celebration of First Holy Communion at 10am

## A Message From Miss Deason:

Fact fluency is a very important math skill. We are working on it at school, but is also helpful to be practicing addition and subtraction facts at home. We started Mad Minute math facts at the end of March and it has been a fun challenge so far! We have had such a great year! Thank you for all you do!
