What We Are Learning

- **Daily Five**

We will take May to review our short and long vowel sounds, CVC words, and sight words. We will continue use our writing and reading skills as we finish building our Daily 5 stamina in preparation for first grade. We will also start our writer's workshop this month.

- **Math**

We will continue to talk about addition and subtraction. We will also explore telling time, and money.

- **Religion**

Saints will be covered in the upcoming month. The kindergarteners will spend time learning about a few of these holy people.

- **Social Studies**

Social Studies will focus on family. Throughout the process we will discuss the similarities and differences of families.
