

Miss Deason's SECOND GRADE

NEWS

FOR the MONTH OF
MAY

What We're Up To:

Language Arts: We will wrap up language arts by reading an informational text about rocks, learning about abbreviations, and working on a reader's theater activity.

Math: Our last chapter focuses on equal shares. We will be dividing groups and shapes into equal shares and naming those fractional parts.

Religion: We will be learning about the church year, how we can pray like Jesus, and how we can share the good news.

Science: To go along with language arts, we are learning about rocks and minerals, fossils, erosion, and weathering. We will also be learning about the ways we use and can conserve these resources.

Upcoming Dates:

- May 7th: No School
- May 28th: Last Day of School!

A Message From Miss Deason:

I am so thankful for the in-person learning we have been able to do this year! Thank you for doing your part in helping this year be a success!
