October's Newsletter

Reminders

Make sure we are reading at home each night and working on our homework at home. This will help us be ready for each new day.

Dates:

Oct. 1 No School

Oct 20-22 No School

MEA Break

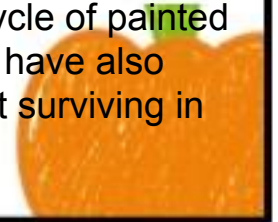

Learning

Math- We are working on reviewing time and rounding. We will be moving on to multiplication and division.

Reading- We are learning about traditional tales and to literary elements that go along with them (theme, setting, plot etc.).

Religion- We are learning a Saint of the month. This month will be St. Francis of Assisi. We are also talking about the gospel for each week at mass.

Science: We are in life science. The students have been observing the life cycle of painted lady butterflies. We have also been learning about surviving in groups and fossils.

Teacher's Note

We are off to a good start! Keep working hard on staying focused and working towards independence!

Mrs. Steffel
