

# Kindergarten News

November 2021

## What We Are Learning

- **Daily Five & Literacy**

During our Work on Writing time, we will begin practicing labeling. We will also begin learning word families and continue adding to our sight word list.

- **Math**

The children have been busy focusing on counting forwards and backwards while also writing numbers. This month we will step into learning about number stories and introducing measuring by discussing longer vs shorter.

- **Religion**

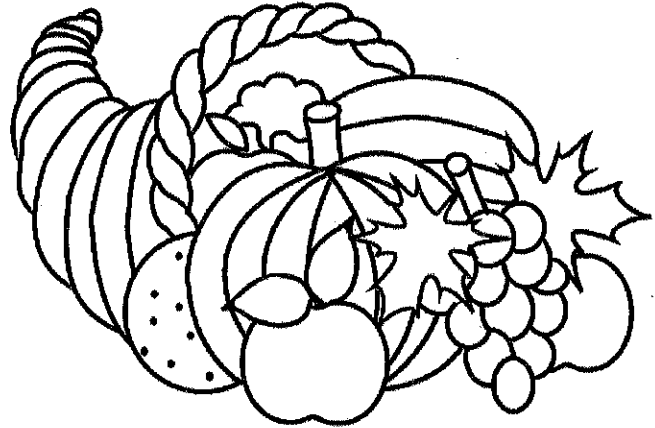

In November the students will begin memorizing the Our Father prayer. Please take time to discuss the role prayer plays in your life with your child.

- **Science**

This month we will talk about using our five senses to sort and observe objects .

- **Social Studies**

We will talk about Native Americans and Thanksgiving the second half of the month.

## Upcoming Events

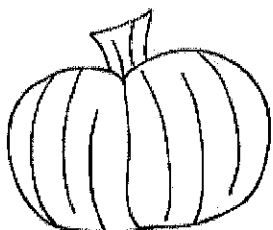

November 5: NO SCHOOL

November 22 & 23: Conferences 3:30-7pm

November 24 – 26: NO SCHOOL

## Notes:

As the weather begins to get colder and we start to see snow, please send all winter clothes to school each day with your child. We will go outside everyday unless it is raining or the temperature is below zero. It will help us at school if you practice putting on snow gear with your child at home. Dressing themselves to go outside is a goal for kindergarten. This includes zipping their own coats.

Thanks!

Mrs. Omtvedt &

Mrs. FitzSimmons

## Happy Thanksgiving!
