What we're Learning

Math: We are focusing on solving two step number stories, and multiplication strategies.

Reading: We have finished up our first reading unit. We are continuing to work through new literary elements.

Social: We are learning about historians and different types of government.

Religion: We are focusing on the gospel for the week. We will also be learning the Apostle's Creed this month

Note from the teacher

We are continuing to work hard each and everyday. Things we are working on as a class are staying focused, independence, and problem solving.
