

# February

## Mrs. Steffel's 3rd Grade News

### Dates

Feb. 14th Valentine's Day

Feb. 21 Presidents' Day  
no school

Feb 28th Staff Day No school

#### Reminders:

We are moving into our second semester. AR goals will change. Please remember to read every night to help you reach your goal.

### Learning

Math: We are really focusing on Area and perimeter. Then we will be moving onto fractions.

Reading: we have been focusing on Historical fiction and the literary elements that go with it.

Religion: We are learning about Jesus and what he did. He stood with the poor, called on his followers, loves his enemies.

Science: We have been learning how different things affect the ecosystems around us. We will be moving on to what are organisms and how do animals inherit different traits.

Social: we have been focusing on Citizenship and Government. We will be moving on to Geography. Focusing on physical and political maps.

### Teacher's Message

January was a crazy month. I just want to let everyone know I am excited for the rest of the school year. Hopefully it won't be as crazy. Stay safe and healthy.

Mrs. Steffel
