Ms. Hellevik's 3rd Grade

From Ms. Hellevik,
January has been a busy month
with our biggest excitement
being our Christmas Musical
"Glory to God in the Lowest!"
All the students did a
marvelous job on the program
celebrating Jesus' birth!

In class this month....

Language Arts: In Unit 3, the students are really enjoying historical fiction texts about the Titanic, prairie life, and voting in the United States. Topics of learning include suffixes, abbreviations, verb tenses, character development, plot, and comparison/contrast.

Math: Unit 3 is all about Geometry and Measurement! Students will be able to measure to the nearest centimeter and half inch, identify polygons and describe shape attributes. We are currently working on finding perimeter and area of rectangles. Students continue to improve each week on their timed multiplication tests! *If you have free moments at home, take a moment to quiz your students on*

Reminders...

- With unpredictable winter weather, please send students with hats, gloves, extra layers and jackets **every day!**

Upcoming Events...

- Jan. 28-30 - Winterfest Celebration
- Jan. 31-Feb. 4 - Catholic Schools Week
- Feb. 21 - President's Day, No School
- Feb. 28 - Staff Day, No School
