

The mission of Sacred Heart School is to promote lifelong learning and Christ-Centered values in a Catholic Setting.

March 1, 2022

Dear Parents,

During this Lenten Season, we will help your child better understand the meaning of Lent. We will discuss how we can pray, fast, and give alms in special ways during this season. We will teach students how to prepare during Lent to celebrate the Resurrection of Jesus. Lent is a special time for families to set aside time for family prayer, attend Sunday Mass, Stations of the Cross, or a weekday Mass. Sacred Heart students attend liturgy every Wednesday at 8:30 a.m. Parents are welcome to join us as we celebrate the Eucharist together on Wednesday mornings. Lent is a good time to reflect on the unity of Christians in light of our common joy in the Resurrection. Together we can help your child grow to cherish this unity.

Parent/Teacher Conferences will be held **Tuesday, March 29, and Thursday, March 31, from 3:30-7:00 p.m.** In order to make your conference a profitable one, we would like to suggest some things you may want to ask about and some things you may want to tell the teacher:

You may want to ask the teacher:

1. Does my child participate in class?
2. Does my child demonstrate self-control?
3. How does my child get along with other children?
4. Does my child seem happy in school?

You may want to tell the teacher:

1. Which school activities your child talks about at home.
2. If anything has happened lately at home/school that might affect your child's performance.
3. What are your child's strengths and weaknesses.

Sharing information about your child with his/her teacher will enable us to provide a learning program that will best meet the needs of your child.

Registration Information for the 2022-2023 school year is included with this parent letter for all students. Please complete one form for each child. You may pay the \$200 registration fee per child in full or in bits if that works best for your family. There is a cap on this fee of \$600 per family for larger families. If you are unable to pay to fee contact the office and we will help you find a sponsor to cover the portion you are unable to pay. **Please return all forms by Thursday, March 31, 2022,** so we can plan for the 2022-2023 school year.

Kindergarten Immunizations are required for all children enrolling in the fall. State immunization laws require children to have a series of three hepatitis B shots, chickenpox immunizations, MMR, DTP, and Polio boosters. **Students will not be admitted the first of school with documentation of immunization proof.**

A reminder that all school events, calendar events, parent letters, lunch menus, registration information, and school updates may be found on the school website, www.sacredheartschoolwaseca.com.

Sincerely,

LeAnn Dahle
Principal
