

Mrs. Veldman's 1st Grade

March

Classroom News

Reading: Work in depth with vowel teams and diphthongs, read for comprehension, and read, read, read

Math: Fact Families, shapes and their attributes, telling time, introduce fractions

Science: Earth and Earth's resources

Social Studies: Economics, markets (consumers and producers) and marketplaces, historical figures, and continue with geography

Language Arts: singular versus plural, pronouns, and tenses (past, present and future)

Writing: begin work on personal narratives

Room 209 Wish List

1. Clorox Wipes
2. 3x3 Post-its
3. Index Cards (lined or blank)

Dates

March 7th:
Staff Day-No School

March 29th and 31st:
Conferences

Friendly Reminders

1. A giant **THANK YOU** for your classroom donations this month! You are a fabulous group of parents!
2. I've seen a slight decrease in **homework** being turned in. Homework is assigned Monday thru Thursday.
3. Almost every day we refer to a **map** or a **globe** and your children **LOVE** exploring them, especially globes. If you have an extra globe at home not being used we could definitely use it in our room. Also, a globe would be a great gift idea for your kiddo.
