Ms. Hellevik's 3rd Grade

## From Ms. Hellevik,

Throughout this month, I have been reflecting on the growth this class has made, both academically and socially. I am incredibly proud of their work and continued effort up to this point in the year!

## In class this month....

**Language Arts:** The students have been enjoying reading narrative nonfiction and biographies this unit. They learned about people in history who made a difference in their communities. We continue to work on skills including antonyms, synonyms, vowel digraphs, parts of speech, and homographs.

**Math:** We are continuing to work on our math facts, especially multiplication & division. Students are learning and mastering strategies to solve problems they do not know using nearby facts, doubling, or square facts.

**Religion:** We have been learning about lenten practices of praying, fasting, and almsgiving. Students helped lead Stations of the Cross for the whole school. They also learned about St. Patrick, our March Saint!

## We're Going to a Play!
