*The mission of Sacred Heart School is to promote life-long learning and Christ centered values in a Catholic setting.*

## A Message from the Principal

*At this time of year, the students are excited about spring and seem to have more energy. I find this time of year exciting too, because it gives me the chance to look back at all the wonderful things that have happened with the students. I know my own faith is stronger because I had the chance to share experiences with your child and the rest of the students in the school.*

*You, though, have played the most important role in your child's learning this year. You put faith into action every day. It is your own commitment to living a faithful Christian life that has taught your child the most about the Catholic faith. I admire you greatly for that, and feel deeply privileged for having had the chance to share in the faith life of your child throughout this past year and with other s for the past 37 years.*

*Yours In Christ,  
LeAnn M. Dahle*
