Ms. Hellevik's 3rd Grade

From Ms. Hellevik,

April was a very exciting month! Students worked hard to prepare for the Sacred Heart School Marathon. We also finished our Lenten journey as we celebrated the joy of Easter!

In class this month....

Language Arts: This month's focus has been informative text with students learning to identify text features including charts, pictures, captions, and headings. Students continue to work on grammar elements including parts of speech, conjugation, and sentence writing. They absolutely loved their unit project! The students worked together (some as cast and others as stage crew) to produce and perform a play!

Math: We continue to work on math facts, specifically multiplication as the students prepare for 4th grade next year. We have spent our whole unit on fractions, focusing on identifying and representing them through circles or number lines.

Practicing math facts at home is a wonderful way to support your child's learning outside the classroom!

A Reminder...

Please continue to send students in clothing appropriate for the weather that day! We all know Minnesota weather can be quite unpredictable at times!

Upcoming Events...

- May 6 - Staff Day, No School
- May 27 - Last Day of School
4th Grade Graduation
& Mass at 1:30 p.m.
